

## REGISTERING FOR SHORT-TERM COURSES ONLINE

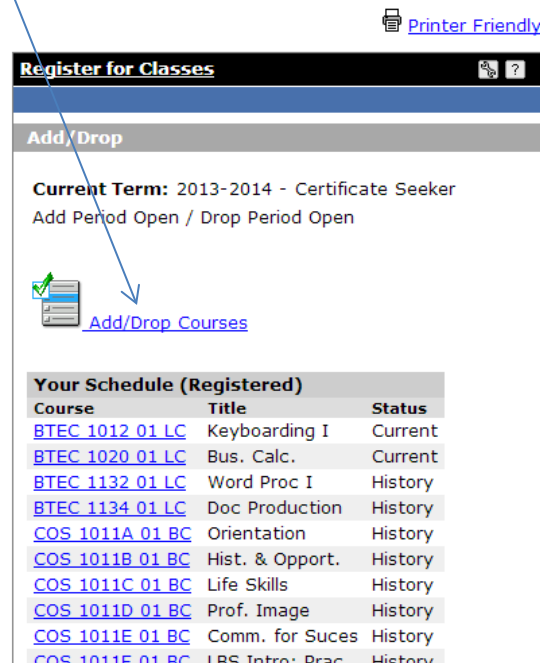

### \*\*SELF PAYING STUDENTS\*\*

Follow the steps below to register and pay online for a short-term class:

1. Login to [my.batc.edu](http://my.batc.edu) using the username and password emailed to you
2. Click on the **Students** tab
3. Click on Register for Classes

4. Click on the Add/Drop Courses link.

- The first very important step is to choose the correct Term. The school year is displayed first (from July to June) followed by "Short-Term." Think of a regular school year that crossed calendar years (starts in August and ends in May).

**Term:** 2014-2015 - Short-Term

The Add and Drop Period is closed but you may be able to add or drop one or more registrations.  
You are currently registered for **0 clock hours**.

**Add by Course Code** [Course Search](#)

To add a course, start typing its course code in the box below. A dropdown of courses that match what you have typed will appear. Select the course code and section number you want from the dropdown. You can add up to six courses at a time using this feature.  
**If you don't know the course or section codes you need, use the course search tab above.**

Course Code:                      Course Code:

1.                       2.

3.                       4.

5.                       6.

- If you know the course number of the course you are enrolling (see the Technically Speaking course schedule), simply start typing it in the Course Code box. A drop down menu will appear and you can select the course for which you are enrolling. Once the correct course number is in the Course Code box, click Add Course(s).

- If you are not sure of the course number, you can perform a search using a variety of variables (Title, Course Code, Department, etc.) by clicking on the **Course Search** tab. If you were searching for a Welding class for example, you could type "WELD" in the Course Code [Begins With] field and press Search. If you knew the name of the course had the words "forklift," you could type "forklift" in the Title [Begins With] field and press Search. Ensure your **Division** says Short-Term.

All of the short-term courses will be identified in Technically Speaking with their exact course number. However, should you ever need to search, many search options are available.

- The results of your search will display the matching courses. Simply click the check box next the course in which you wish to register and click Add Courses.

***NOTE: Courses ending in LC are offered at the Logan Campus and courses ending in BC are offered at the Brigham City Campus. Please select the appropriate course carefully.***
